

Blarney GAA return to play protocol.

Applies to all players and management.

- Each team must appoint a Covid Supervisor.
- Complete online COVID training. Applies to all players and management.
- Complete Health Questionnaire before you return to training.
- Attendance also to be taken at each session.
- Max 10 players in attendance plus 2 coaches.
- Players to bring their own water and no sharing will be allowed.
- 3 separate groups & gap between sessions to avoid gatherings.
- Players to train within same group each session.
- Will be put with people in same household.
- Arrive and Leave straightaway.
- All players to use hand sanitizer before & after sessions which will be provided.
- All gear to be cleaned before and after sessions (each group to have their own supply of gear).
- Huddles for water breaks and team talks to be avoided (sessions to be sent out on the day to reduce need to explain).
- Players are asked to walk / cycle to training where possible and should not share cars with those outside of their household. No parking in school ground.
- Players are asked to fully comply and respect the above protocols to keep themselves and their families safe.
- An online system has been developed for administering the Health Questionnaire. While a paper option is available, we strongly urge all Clubs to use the official online solution to optimise the protection of personal data.

Details on using the online system will be communicated to Clubs next week, but the latest paper version of the Questionnaire and Declaration are now available at <https://learning.gaa.ie/covid19resources>

A series of live Club Briefings covering common questions the recording and slides from the first webinar on 16 June are now available at <https://learning.gaa.ie/covid19learning>

An eLearning module which Clubs should ensure everyone has completed before entering Club facilities for training or games available at <https://courses.gaa.ie/Covid19ClubEd>
